Interpersonal and Organizational Skills

I am a versatile and hands-on person, with experience in both manual and restaurant work, as well as in digital and IT-related tasks. I work diligently, adapt quickly to different environments, and am motivated to learn new skills on the job.

Technical Skills and Competencies

I built a digital portfolio from scratch using HTML, CSS, JavaScript, and After Effects, and I have collaborated on the management and improvement of WordPress websites, focusing on the graphical interface and user experience. I also have experience in organizing and managing data using Excel, Word, and other software tools.

I authorize the processing of my personal data in accordance with Legislative Decree No. 196 of 30 June 2003, "Personal Data Protection Code."
